

MØRENØT
AQUACULTURE

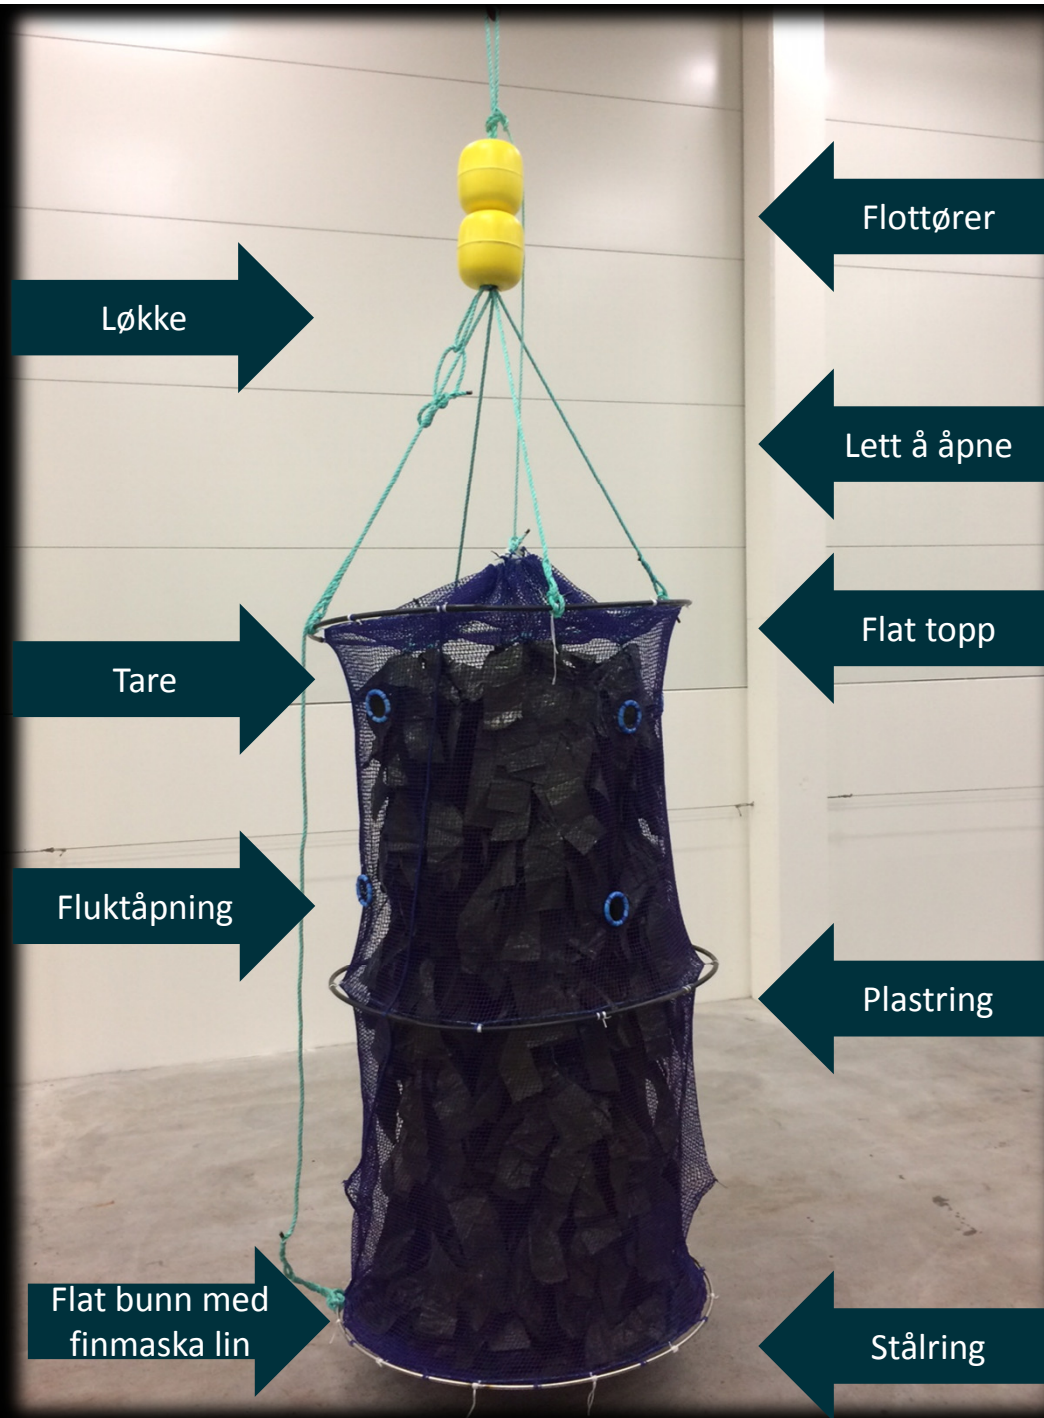

«Totalpartner til havbasert oppdrett»

An underwater photograph showing several salmon swimming in a net. The net is made of yellowish-green material and is partially covered with seaweed. The water is clear and blue.

SAMARBEID FOR ØKT FISKEVELFERD

An underwater photograph showing a school of fish swimming near large, yellowish-green seaweed leaves. The water is clear and blue. A dark teal banner with white text is overlaid in the center.
